

Job Opportunity
Community Energy Champion – 3 Year Term
Animbiigoo Zaagi'igan Anishinaabek is seeking an individual to fill this position
immediately

SCOPE

Under the direction of the Development Manager, the Community Energy Champion (CEC) will be the lead individual within the community to plan, implement and evaluate energy-related priorities including the development of the First Nation's Community Energy Plan. The CEC will also help inform Members on ways to reduce energy usage and electricity costs as well as be involved with various energy projects as required.

KEY RESPONSIBILITIES

- Develop and implement our Community Energy Plan
- Research, develop and deliver energy programs and workshops to Members
- Prepare and host community meetings related to energy planning, usage and best practices
- Promote energy saving potential using resources such as saveonenergy.ca
- Provide energy planning and advice for the First Nation's new housing and future on reserve buildings
- Travel to the reserve as required
- Program reporting to funding agencies as required
- Perform any other duties as assigned

QUALIFICATIONS:

- Possess a degree, diploma or relevant experience
- Effective verbal, presentation, written and listening communications skills
- Demonstrated skills in report writing, document review, organizing meetings and events
- Self-starter with excellent time management and organization skills
- Ability to work both independently and as part of a team
- Must have computer skills and proven experience with Microsoft programs
- Must have valid Class 'G' driver's license and access to dependable vehicle with adequate insurance

OTHER JOB REQUIREMENTS:

- Travel will be required

LOCATION: TBD

SALARY: In accordance with AZA's approved scale

Please forward your resume with 3 references no later than January 25, 2023 to:

Priscilla Graham, Band Administrator
