JANITORIAL MAINTENANCE TECHNICIAN

Minodahmun Development and Outland are seeking applicants for Janitorial Maintenance Technician positions based at the Greenstone Project in Geraldton, ON.

Minodahmun Development has partnered with Outland – A Division of Dexterra to deliver various site services at the Greenstone Project. Based in Thunder Bay, Outland has over 25 years' experience working with First Nation partners to deliver camp, modular building, catering and maintenance services both locally and across the country.

Minodahmun-Outland has a wide range of career advancement opportunities for interested community members. Members from Animbiigoo Zaagi'igan Anishinaabek, Aroland First Nation and Ginoogaming First Nation will be given priority for this position. Join Minodahmun-Outland to start building your career (and a gold mine!) today!

WHAT'S THE JOB?

The Janitorial Maintenance role requires the cleaning and sanitization of site common areas to maintain an orderly and safe working environment. The job scope and maintenance team will expand as site construction progresses and the mine moves into the operations phase.

Key responsibilities include but are not limited to:

- Conformity to site and job specific safety standards and requirements.
- Sweeping and mopping of floors.
- Gather and empty trash containers throughout site.
- Prepare cleaning solutions and clean all surfaces throughout site.
- Clean and stock site bathrooms.
- COVID-19 sanitization procedures

WHO ARE WE LOOKING FOR?

- Member of Animbiigoo Zaagi'igan Anishinaabek, Aroland First Nation and Ginoogaming First Nation
- Motivated self-starter capable of working alone and as part of a team.
- A leader willing to take on additional responsibility as the maintenance team grows.
- Previous janitorial experience an asset, but not required.

Minodahmun
